

To: Board of Directors
From: Steve Leighton, Fire Chief
Date: January 17, 2024
Subject: Director's District Logo Wear

Background:

Some Directors have asked about the availability of MBF logo items such as hats and shirts. Back in April 2022, the Board decided to use Account No. 4300 to fund these items.

Having this logo wear (as NTF Directors have) would be appropriate for both official functions (shirts) and to just "show the flag".

Our logos are "on file" with a local silk screen printer and an embroiderer, but it will need updating in order for it to be used. No inventory is currently at Station 67 or other locations.

Recommendation:

The Board to send the District Clerk their full name and size for a black golf-style polo shirt with the Meeks Bay Fire embroidery. Once the Clerk receives information from all Directors, the shirts can be ordered.
