

To: Board of Directors
From: Steve Leighton, Fire Chief
Date: April 19, 2023
Subject: Consider Approving the District to Overspend the Budget for the Station 67 Storm Damage Repairs

Background:

Station 67 has sustained damage from large winter storms. The District is seeking approval to overspend the current budget to cover the costs to fix and replace the generator transfer switch, meter main and already replaced circuit board for the fire alarm panel.

Recommendation:

Approve the District to overspend the budget for the Station 67 storm damage repairs.
